### Podcasts of Jewish Interest:

#### Unorthodox

by Tablet magazine is a pretty unorthodox weekly discussion of Jewish culture and news. Some episodes are definitely not safe for playing with kids around, but it's an entertaining and enlightening listen.

#### Israel Story

is created in the style of NPR's, "This American Life." It tells compelling stories about Israeli life, and is very entertaining.

Podcasts are available in both English and Hebrew.

#### Streetwise Hebrew

is a brief and fun way to gain a little insight into Hebrew phrases. You may hear about the root of words, learn a little slang or even discover how to rebuke a mansplainer.

Podcasts are available in both English and Hebrew.

As a result of the massive devastation of parts of the United States and the territories of the U.S. Virgin Islands and Puerto Rico from recent hurricanes, J-Teen Leadership, through a generous grant from *UJA-Federation of New York*, in connection with its [Time for Good](#) initiative, was chosen to lead service trips to Houston and other storm-affected areas during 2017-2018.

Trips will proceed on the following dates:

**Friday-Monday**

**November 24th-27th**

**December 22nd-25th**

**January 12th-15th (MLK Weekend)**

**February 16th-19th (Presidents Weekend)**

**March 16th-19th**

**April 20th-23rd**

We hope that you will join us on at least one of the many trips we are offering this year! Some trips will invite parents to participate too! This opportunity is a great way not only for J-Teen Leadership to get back to its roots as a disaster relief organization, but also for all of you to do the most needed and meaningful service you can do within the New Year of 5778!

Please be on the look out for more communication from us about these service trip opportunities ([we are calling them DARST- Disaster Area Relief Service Trips](#)) including how to register and how to get involved.
