Spotlight on Tikkun Olam

Supporting Israel's Green Energy

Starting in October, 2018 Hallie Echelman, an alumna of our LC and a longtime madrichah, will be moving to Israel for 5 months with [Masa Israel](#), a program for young Jewish college graduates to volunteer and intern in Israel! Hallie will spend 5 months volunteering for Environmental NGO's that work to make Israel one of the most environmentally advanced nations in the world for solar, wind, and ocean generated power.

Please help Hallie fund the environmental research that still needs to be done to develop new technologies that will make the the Earth a cleaner and healthier place for everyone!
