The Westchester Jewish Community Services (WJCS) is a non-profit organization. It was founded in 1943 and has grown to be the largest provider of licensed outpatient community mental health services and one of the largest human service agencies in Westchester County. We provide state-of-the-art programs and services and compassionate care to more than 20,000 people of all ages and backgrounds throughout Westchester.

- Evidence-based mental health and trauma treatment to adults and children in individual and group settings
- 24/7 care to disabled adults living in our 12 group homes
- Supportive programming for LGBTQIA+ youth and families
- Geriatric care and resources for seniors so they can age safely in the comfort of their homes
- Early childhood development enrichment education for young children and their parents
- Advocacy, supportive services, and social activities for individuals with intellectual and developmental disabilities
- Cultural, educational, counseling, and spiritual programming for the Jewish community.
